

Curriculum Junior 2, 2º Ano

Overview:

To create interest and inspire children to be creative and to learn through action and activity, becoming confident language learners.

Objectives:

To continue to develop the four language skills: listening, reading, writing and speaking, as well as challenging the students cognitively and helping them feel a real sense of achievement in learning.

To introduce and recycle language in context and manageable chunks, giving students plenty of opportunities to practice the language in different contexts.

Language objectives:

- Question words for personal information
- Can for Polite requests
- Statement and question word order
- Prepositions
- Adjectives
- Action verbs
- Plural nouns
- Pronouns
- Present continuous for present actions
- Likes/dislikes

Communication objectives:

- Greetings
- The alphabet
- Classroom and house furniture
- Toys
- Clothes
- Hobbies
- Family
